

U.S. House of Representatives
Committee on the Judiciary

Washington, DC 20515-6216
One Hundred Sixteenth Congress

May 14, 2019

The Honorable William P. Barr
Attorney General
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, D.C. 20530

Dear Attorney General Barr:

As you know, the House Judiciary Committee exercises legislative and oversight jurisdiction in areas of civil rights and criminal law enforcement. These areas continue to be subjects of intense national concern in the wake of high-profile incidents involving the fatal use of force by law enforcement against unarmed people in cities such as Ferguson, Baltimore, Cleveland, Chicago, Falcon Heights, Tulsa, Pittsburgh, and Dallas. In 2018, 992 people were shot and killed by police.¹ In the first two months of this year, at least 265 people have suffered the same fate.²

Despite continuing concerns from civil rights and community-based organizations, the Department has sharply curtailed its statutory role in identifying and eradicating civil rights abuses by law enforcement. Excessive force in police-civilian encounters presents a crisis of trust throughout our nation. Changes to Department policy and failure to uphold the law run the risk of undermining federal oversight authority in this space.

Congress identified the need for the Department and community stakeholders to play a role in eliminating unjust and discriminatory practices by law enforcement. With that goal in mind, Congress has provided the Department with the authority to identify and eliminate patterns and practices of unconstitutional conduct in law enforcement agencies through civil action and administrative authority.³ Additionally, it provided the Department the ability to encourage communities to have a voice in how they are policed through programs offered by the Community Oriented Policing Services or “COPS Office.”⁴ These tools must be used to promote Constitutional policing practices that support public safety and respect civil rights and civil liberties.
